

# YOUTH AND YOUTH LEADERS:

Join Carolina Cross Connection for **FOUR** unique ways to make a difference in Western North Carolina this year!

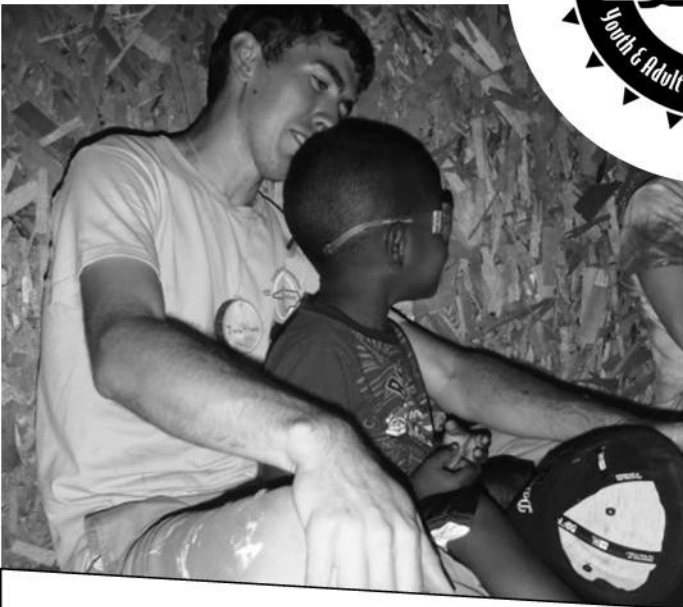

## Youth and Adult Service Weeks

Five locations and four summer weeklong opportunities to serve needy families in western North Carolina. Youth and adults gather to offer home repairs, a listening ear, and the love of Christ.

## Homeless Outreach Mission Experience

Weeklong summer opportunities in ministry to and with the homeless of Asheville NC, partnering with Haywood Street Congregation. A perfect blend of service, relational ministry, and worship.

## College Week

One week, May 22-28, held at Camp Guilrock, near Reidsville. A home repair mission for college students only. A great way to serve, build community, and finish out the school year.

## Regional Impact Days

Mini days of service, worship, and fellowship occurring all over western North Carolina. Dates coming this spring in Albemarle, Winston-Salem, and Asheville. Future dates and locations TBD.

Come join us for one of these exciting opportunities! Space is limited and filled first-come first-serve. Contact us for more info...
